AGREEMENT

This Agreement is between Timberlake Community Club and a Member of the Club, who signs below. The Member is either signing as an individual, or as an authorized representative of a group, as indicated on the signature line.

The purpose of this Agreement is to make sure that everyone involved understands the terms and conditions that apply to the Member's rental or use (use) of Timberlake facilities, including buildings and other property (facilities). The Member wants to use a Timberlake facility, and Timberlake wants to make its facilities available, but Timberlake also wants to be clear about what it is responsible for.

When a Member wants to use a Timberlake facility, the Member is responsible for (1) taking a close look at the facility and making sure that there are no dangerous conditions that threaten the safety of anyone who participates in the use; and (2) following all Timberlake rules, written and oral, for the use, and (3) making sure all users follow these rules as well. Timberlake is responsible for keeping its facilities reasonably safe, but the Member is responsible for a reasonable inspection of the facilities and reasonable use of them, according to the rules, for the Member and for anyone else associated with the Member. Every Member who uses the facility under this Agreement must sign it, or a copy.

The Member waives and releases and forever holds harmless, and promises to defend and indemnify Timberlake, and anyone or any entity related to Timberlake in any relevant way, from any and all liability, claims, and demands of whatever kind or nature, which may arise from or are related in any way to the Member's use of Timberlake's facilities, or the use of these facilities by anyone associated with the Member, and which are not the sole fault of Timberlake.

I understand that without my Agreement, I would not be able to use Timberlake facilities and/or property.
